Introduction

Welcome to 90 Day Plan Of Attack. This quick resource will help you structure your outbound and inbound efforts for the next 90 days. This, more than anything, is an accountability tool.

90 Days: All In, All Out ⛳📲

The next 90 days are critical to your success and will truly determine whether you make it or not as an entrepreneur. They're very 'make or break'. This is because, right now, you are at your emotional height with this business. You're going to be more determined, motivated and inspired than ever to make this work. If you can't be consistent now, you're in deep trouble *because* you're on such an emotional high right now.

It really is very much now or never.

For the next 90 days I want you locked the f*ck in, filling out this sheet EVERY DAY.

All in. Don't relent. Every single day. No matter how you feel or how bad it gets, you keep doing the work and powering through. This is EXACTLY how I got MY first client and I'm certain it will help you do the same.
